

Clarke® Floor Buffer

Clarke® CFP Pro® 20" Floor Buffer
with Pad Driver

Item# CRK-CLARKE2015HD

Easy Maneuverability

The Clarke® CFP Pro® 20" floor buffer comes with a pad driver and can be used with any standard 17" pad to buff, scrub, and strip floors. The machine features a 1.5 HP motor and a triple planetary transmission, making it rugged enough to scrub carpets as well. It includes a switch lock mechanism that helps prevent accidental startups, and the negative pressure trigger bar shuts the machine off when the operator lets go. A powerful motor and planetary gear system provide smooth, quiet, and reliable operation.
