CleanFreak® 17" Rotary Floor Buffer with Pad Driver

Item# CPL-225FP-17-CF

Tough & Durable

The CleanFreak® 17" Rotary Floor Buffer is a 175 RPM, 17" multi-purpose floor buffer backed by a 5 year warranty on the motor, frame and shroud. The triple planetary transmission is more than powerful enough to do low speed buffing, scrubbing and stripping of any hard floor surface. At 91 pounds with a 1.5 HP motor you'll have plenty of power and down pressure to easily clean, polish, and strip any surface. The all steel triple planetary transmission gives you a sense of security that this heavy duty transmission will last and last.
