

# CleanFreak® Walk Behind Floor Scrubber

14" Reliable Walk Behind Floor Scrubber (Battery & Electric Options)

Item#  
IES-14B-CF  
IES-14E-CF

## Easy and Reliable

The CleanFreak Reliable 14" auto scrubber comes equipped with a 'hands-free' 14-inch nylon brush that can be attached and removed without the need for tools. Operators never have to bend down to attach the brush, making it exceptionally easy to swap. The Reliable 14 offers a range of user-friendly features, including a removable recovery tank for effortless disposal of dirty water. The height-adjustable handle ensures comfort for various users and allows for easy transportation and storage, as it folds down completely. Both battery and electric models are compact and maneuverable, making them suitable for operators of all skill levels.
