

Trusted Clean Auto Scrubber

'Dura 20' Battery Auto Floor Scrubber with Pad Driver

Item# CPL-DURA-20B

Affordable & Easy To Use

The Trusted Clean 'Dura 20' is a 20 inch battery powered automatic floor scrubber that is equipped with a 3-button control panel, allowing users to learn how to operate the machine quickly. The pad assisted drive helps pull the unit along while the machine scrubs your floors to reduce user fatigue and increase efficiency. It also reduces the need for a traction drive, which also helps keep the cost of maintenance down.
